Benefit From Evidence Based Management Consulting.

AnalysisWorks Inc has been named to the 24th annual PROFIT 200 ranking of Canada's Fastest-Growing Companies by PROFIT Magazine. The official results list is published in this month's PROFIT 200 on shelves June 4<sup>th</sup>, 2012.

Ranking Canada's Fastest-Growing Companies by five-year revenue growth, the PROFIT 200 profiles the country's most successful growth companies. Published in the Summer issue of PROFIT and online at PROFITguide.com, the PROFIT 200 is Canada's largest annual celebration of entrepreneurial achievement

AnalysisWorks is located in Vancouver, B.C. and is engaged with clients across North America. AnalysisWorks has helped create transformational change in key segments of the healthcare industry in British Columbia and Alberta by using advanced analytics to make better use of precious resources. They have as well been a leader in complex simulation modeling for manufacturing projects which had many unknowns and required a body of evidence to uncover the best and most efficient solution.

President and Founder Jason Goto, acknowledges the company's clients as one of the key factors to the AnalysisWorks five year growth. "Our clients are change agents. They are committed to uncovering solutions for their organizations that are based on real evidence are also actionable." AnalysisWorks enjoys strong partnerships with its clients, "Not only have our engagements with our client base led us to where we are in terms of growth, but many of our clients play an active role in consulting with us to develop our products and enhance our service offering. It's an invaluable relationship that helps us help them."

To commemorate the first time that AnalysisWorks has been named to the PROFIT 200, they have launched a tool, report and a set of recommendations that will help organizations get a better understanding of how to use data as a strategic advantage at <http://www.analyticsadvantage.com>
